We have no disposition to de-A REMEDY FOR THE SEASON .- A lump of ny, but to the contrary we frankly acknowlwet saleratus, applied to the sting of a wasp edge, that the public has a perfect right, to or bee, will stop the pain in one moment, and call for a full and complete exhibit of the reprevent it from swelling. Pin this fact up ceipts and expenditures of moneys belonging somewhere for this season's use, for those who to the Corporation. It is not only a right, but it is the duty of the public to do this -But we wholly and utterly deny either the Egg Dumplings .- Make a batter of a pint right or the duty of the editors of the Demof milk, two well beaten eggs, a salt spoonful ocrat to intimate or the illustrious Mr. Many Tax Payers, to charge the Council of last year, with embezzling the Corporation Funds. Knowing who the Mr. Many Tax Payers ishis motive and object-we have only to say, that it is in perfect accordance with his na-

ture and practice. A little reflection would have advised the drawn from the treasury for any purpose whatever, without an order being first allowed by five of the Council, or by an act of the most flagrant embezzlement by the Treasurchildren to look like him, the fewer jaunts he er, Mr. Doneysen. Moreover, we know that makes to California the better. Observing all the citizens who have given any attention to the matter, know very well what has been done with the money, and also, that
